

Villa Palexaura Wedding Terms & Conditions

Availability

Only available to guests who book a minimum of three night's accommodation for the whole Villa at standard high or low season rates.

Number of Guests

No more than 200.

Wedding fees:

US\$1000 for less than 100 guests

US\$2000 for 100 – 150 guests

Over 150 guests - negotiable

Damage deposit

A damage deposit of US\$1,500 which will be fully refundable if there is no damage following an inspection by our Managing Agent.

Payment terms

50 percent is payable on acceptance of the booking with the balance payable one month prior to arrival.

Security

You will need to contact Tobago Plantations ("Plantations") to inform them of your wedding date, time and name of guests. If you would like security present at the villa on the day, this can also be arranged with them (there is a cost attached to this which will be given to you by Plantations Security manager).

Parking

No more than 3 cars are to be parked in the Villa grounds - this means that special arrangements for parking elsewhere will need to be made by guests. Our suggestion is that guests make arrangements with Plantations to use the empty lot opposite the villa.

Finishing time

The celebration can continue as long as desired but no loud music or other noise is to be made after 11 pm.

Food

We strongly recommend the use of a catering firm with waiters for serving food. Our Managing Agent can help to organize this but the costs will be paid in full by guests.

Special conditions

- ❖ Only guests booked to stay at the villa will be allowed inside the Villa on the day of the wedding save for initial ingress to the garden area.
- ❖ Palexaura Ltd/Island Investments will not be responsible for any lost items whether on the day of the wedding or otherwise.
- ❖ You are required to rent the port-a-potty for wedding guest use.
- ❖ The wedding fee does not include a clean up fee and you are required to return the villa to the condition it was given to you. Any extra clean-up fee will be taken from your damage deposit.
